REMARKS

Applicant will address the Detailed Action concerning the priority document included in the Amendment dated June 15, 2004 from the Examiner. Applicant gratefully thanks the Examiner for her acknowledgement of the copy of the European application. In addition, the Applicant notes that the Examiner has stated that a certified copy of the European application no. 01810239.2 is required by 35 U.S.C. 119(b).

As the European Patent Office does not issue certified copies with raised and embossed stamps, the EPO form 1014 should suffice. Applicant is unaware of any other form issued by the European Patent Office concerning certified copies. Therefore, Applicant believes that EPO Form 1014 should satisfy the requirements for a certified copy of European Application No. 01810239.2 as required by 35 U.S.C. 119(b). A copy of the previously submitted EPO Form 1014 is attached for the Examiner's review.

No new matter has been entered and no additional fees are believed to be required by this supplemental amendment. However, if any fees are due with respect to this Amendment, please charge them to Deposit Account No. 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,

September 16, 2004
